Are You Going to Paint?

The high cost of building material makes it absolutely necessary to protect our buildings and make them last as long as possible. Sanitation and beauty also recommend paint. We carry a Complete Line Sewall's House Paints including their Flat Interior, Roof and Barn Paints, Colovar, Auto Refinish, Wagon and Implement Paints and Porch Floor Paints—no better medium-priced paints.

A Special County Prize

Which county in the Ozarks has the best dairy cattle? This question will be decided at the Ozark Stock Show this year. According to an announcement just made, a cash prize of \$100 will be paid the county showing the best Jersey cattle, and a similar sum for the county having the best Holsteines. Second prizes of \$50 and third and fourth prizes of \$25 will also be offered for each breed.

This money will be awarded at the Ozark Stock Show after the regular dairy classes have been judged. The exhibitors from each county will assemble their best cattle in a group of eight, consisting of their best Bull from the two aged classes Bull from the junior classes Cow three years or over Cow two years under three Heifer - senior yearling Heifer - junior yearling Heifer - senior calf Heifer - junior calf

No special entries have to be made to compete for the county prize. Simply bring out the cattle. Neighbor Smith and Neighbor Jones will merely get together and assemble a group of the best ones from the herds showing from their own county and show for the county prize. Any animal which has been shown in any of the classes at the Ozark Stock Show is eligible to show in this county group.

Naturally the county which wins will secure quite a bit of valuable publicity. It is hoped that every county in the Ozark Country will turn out in sufficient strength to show for the county prize. For additional information address H. R. Nelson, Manager Ozark Stock Show, Springfield, Mo.

These special county prizes are due to the generosity of the creamery men of the Ozarks who take this method of showing their faith in better dairy cattle.

A New Back For An Old One. How It Can Be Done In Mansfield.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are no lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Mansfield residents would do well to profit by the following example.

"W. A. Murr, Cabool, Mo., says: 'I have suffered a great deal from rheumatic pains. A few years ago while living on the farm, I had a severe attack of it and the trouble seemed to settle in my left hip. My back pained day and night and I could hardly get any sleep for the misery. Doctors failed to do me any good. I finally used Doan's Kidney Pills and they gave fine results from the first, and four boxes completely cured the attack. I have since used Doan's Kidney Pills for weak and disordered kidneys and they have always given the same good results.'"

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Murr had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.—Adv. No. 60

The Mansfield Fair is YOUR Fair. Put a hefty shoulder to it and PUSH.

Springfield Business College needs scores of young men to take the complete business course. Graduates of this course are first class stenographers and book-keepers. The knowledge of stenography usually secures the first situation, for many of the largest firms and also the railroads depend upon the young men stenographers developing into those holding higher situations and officials. Scores of the railroad officials of the country began as stenographers. In fact, there is nothing else that places a young man in such close contact with the management of a big concern as being a stenographer, taking the dictation of the officers and managers. Stenography is the key to success for any ambitious, energetic young man. Last week the Springfield Business College had a call for a young man to take a stenographic position from the Frisco that could not be filled by a woman and would give a young man the opportunity of very rapid promotion in the railroad world. The Springfield Business College is constantly being asked to fill such important positions with young men graduates of the complete business course, and there are never enough graduates to fill these splendid positions. To induce young men to take this special course, the Springfield Business College pays the railroad fare of any young man who will take a scholarship for this course. Write J. A. Taylor at once for the new circular and for special information relative to the guarantee of a big salary at graduation from the complete course.
